**NOTES/COMMENTS:**

On January 12, 2004 a filing fee in the amount of \$1698 for Patent Application No. 09/981,962 was charged to our American Express account. This charge was correct.

On August 30, 2004, two charges and one credit were applied toward our American Express account regarding U.S. Patent Application No. 09/981,962. The amounts of the two charges were \$770 and \$948 and the amount of the credit was \$750. Thus, our American Express account was incorrectly charged in the amount of  $\$770 + \$948 - \$750 = \$968$ .

Please credit our American Express account in the amount of \$968. If you have any questions, please contact me at the phone number listed above. In addition, please let me know when this has been processed.
